

BioLite Charge Series

Dunkproof

IPX6 rated, can handle unexpected rain or spills

Durable Housing

Stainless steel body is thinner and stronger than plastic designs

Pick Your Power

Available in 10, 20, and 40 Wh models

Introducing a new line of portable storage that crosses over from the backcountry to everyday carry. The Charge Series features BioLite's thin and durable stainless steel design that is weatherproof with a silicone gasket top and ready for any terrain. Lightweight and easy to use, charge phones, tablets, and any other gear you need to keep your day going.
